

YANMIFE ADEGBOLA

WEB DEVELOPER

Lagos, Nigeria | +234 913 655 8701 | yanmifeigwe@gmail.com

PROFESSIONAL SUMMARY

Front-End Developer with 3+ years of experience building modern, responsive web applications using React.js, Next.js, TypeScript, and Tailwind CSS. Skilled in REST API integration, cross-functional collaboration, and translating business requirements into clean, maintainable code. Working knowledge of back-end development with PHP, Laravel, and MySQL.

WORK EXPERIENCE

Front-End Developer

Oct 2025 – Dec 2025

Oresma Logistics

Lagos, Nigeria

- Built a scalable logistics platform from the ground up using Next.js and TypeScript, delivering a fast, maintainable front end for daily delivery operations.
- Integrated front-end features with map-based APIs to power real-time logistics tracking, routing, and delivery status updates.
- Designed and shipped admin and rider dashboards used daily by operations staff to manage deliveries and workflow.
- Partnered with backend engineers to define API contracts and resolve integration issues, reducing back-and-forth during handoffs.
- Wrote reusable, component-based UI code that shortened development time for new dashboard features.

Software Development Intern

Jun 2025 – Oct 2025

Abode Asset Limited

Lagos, Nigeria

- Contributed to development and maintenance of internal software applications under senior developer mentorship.
- Collaborated daily with a remote software team on development tasks, code reviews, and technical design discussions.
- Identified and helped resolve bugs in internal tools, improving reliability for day-to-day company operations.
- Documented code and processes to support onboarding and knowledge-sharing across the team.
- Applied Git-based version control and software development best practices throughout the SDLC.
