

YANMIFE ADEGBOLA

Web Developer

✉ yanmifewge@gmail.com ☎ +2349136558701 📍 32 alexsander ayobo, Lagos Nigeria

🇳🇬 Nigerian

PROFESSIONAL SUMMARY

Web Developer with 3+ years of hands-on experience building modern web applications. Experienced Front-End Developer with expertise in HTML5, CSS3, JavaScript (ES6+), and TypeScript. Proficient in React.js, Next.js, and Tailwind CSS, with a solid understanding of back-end technologies including PHP, Laravel, and MySQL. Adept at REST API integration and version control using Git & GitHub. Skilled in responsive web design, component-based architecture, debugging, testing, and clean code practices. Strong team collaboration and problem-solving abilities with a client-focused approach and a commitment to continuous learning.

WORK HISTORY

Oresma Logistics <i>Front-End Developer</i>	10/2025 – 12/2025 Lagos, Nigeria
• Developed comprehensive logistics platform using Next.js and TypeScript for scalability. • Integrated frontend features with backend services, utilising map-based APIs for logistics operations. • Implemented admin dashboard for managing delivery requests, users, and rider accounts. • Created rider-facing dashboard for request acceptance and workflow updates. • Collaborated with backend developers to ensure seamless API integration. • Emphasised clean UI design, responsiveness, and efficient state management.	
Abode Asset Limited <i>Software Development Intern</i>	06/2025 – 10/2025 Lagos, Nigeria
• Contributed to the development and maintenance of software applications under senior developers' guidance. • Participated in writing, testing, and debugging code to enhance system functionality. • Collaborated with the software team on remote development tasks and technical discussions. • Supported internal systems and tools for streamlining company operations. • Acquired hands-on experience with modern software development practices and tools. • Applied best practices in version control, documentation, and problem-solving.
